Action Taken Report (feedback)

The Institute values the feedback from the students, teachers, alumni and employers among others and constantly works on the upgradation of the syllabi of various courses run. Regular feedback is obtained. Although syllabus updating is the prerogative of the affiliating University i.e. Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur, we still take painstaking and rigorous efforts for the improvement and enhancement of the same. Taking in consideration the views of the stakeholders and need for the advancement, we have proposed new syllabus to the university for all the four courses run by the institution i.e. B.Sc. Forensic Science, M.Sc. Forensic Science, PG Diploma in Forensic Science & related law (PGDF) and Post Graduate Diploma in Digital & Cyber Forensic and related law (PGDC). The new syllabus has been approved by the University (RTMNU, Nagpur) vide notification no. 329 dated 31st December 2019 and would be implemented from the upcoming (current) session in 2020-21.
