.

None

Nothing

Should increase field visit
Should increase intership appportunity

The teaching- learning process is very good in our institute, but it would be great to have field visit in Forensic Science laboratory, etc.

Need more interaction with students, more oppportunities after graduation in internships.

Hands-on experience should be increased regarding the instrumentation part

They should focus more on practical knowledge.
We need separate campus for institute to improve the quality of all the things.
